Turtle Lake has a small boat launch perfect for launching 14 foot boats. There are some walleyes in here along with decent panfish and bass. The walleyes typically don't get huge but I've seen a school of nice eaters, 15-20 inchers in the spring. Try the deeper spots in the lake with minnows and leeches in the summertime. There is a private campground on the lake but it's usually pretty quiet out here.
