B.M. No. 3=100.5 - SPIKE IN BASE
 OF 12" SOFT MAPLE
 WATER SURFACE ELEVATION=96.5
 3/31/65

Boat Launch

WATER ACCESS SITE
 (UNIMPROVED)

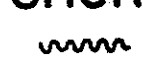

School Lake is very shallow except for the deep hole accessible by a narrow channel. You can also access Bass Lake via a channel as well. School lake has a good pike population with some nice keepers. The bluegill grow large too. There is no dock so the lake is best suited for small boats and kayaks.

LEGEND

BOTTOM

-  Sand
-  Organic

SHORE FEATURES

-  Encroaching shore
-  Wooded
-  Partly wooded
-  Intermittent inlet or outlet
